

## Merchandise Vendor Booths

Welcome to Jesus Rocks the Redwoods as a vendor!

With your participation we will be able to offer this event free to the public. Your partnership is a valued component enabling the lost of Southern Humboldt free access to the gospel. Thank you for your participation. Jesus Rocks the Redwoods is a fun, creative, and safe place where adults and children of all ages can learn about Jesus. This can be done with every interaction we have with attendees. The theme of the event is Jesus. Let's give our attendees the love of Jesus to take home in their hearts.

There are lots of things to read and absorb as a vendor. Please feel free to email or call me at any time. I am best reached by email [GraceofGod1215@wavecable.com](mailto:GraceofGod1215@wavecable.com)

All of the Jesus Rocks the Redwoods merchandise vendor booths will be from Christian ministries.

Every booth will benefit Christian churches, their ministries, and missions. All vendors charging a fee for their merchandise or service will pay a \$100.00 booth fee. This money will offset the event costs to be able to help keep this event free to the public. **Please make checks payable to Jesus Rocks The Redwoods.** All profit from your booth is yours to keep however we will accept donations from your proceeds if you feel led to do so.

We want to keep this event fun and exciting for our attendees. JRTR will try to limit the number of booths selling the same things. While we know many items will be similar our goal will be to not over duplicate any one thing. Do not consider that you are able to sell the item you have chosen until you hear back from JRTR administration.

You will need to provide your own booth, tables, chairs and anything else you need for your product.

Please remember the merchandise booths will be on the river side where there are fewer trees. It would be good for you to have a top on your booth to give you shade. The food booths will be on the tree side because they are mandated by Humboldt County Health to be within a certain distance from the toilet facilities.

If possible please list the item or items that you would like to sell at the event. You will be able to sell them if they are unique, family and Christian friendly, and several vendors have not reserved and paid for the right to sell it exclusively. Any printed materials, books, excreta will be viewed for content. **It will not be OK to sell anything that has not been approved by JRTR administration! If you do you will be asked to leave and your \$100.00 deposit will not be refunded.**

Each booth should be no larger than 12'x12'. Please keep the area you use neat and organized during the event. Spots will be assigned by JRTR staff as they are reserved and paid for.

Vendors should start to set up their booths after 3:00 Friday July 22<sup>nd</sup>. You will need to check in with JRTR staff during these hours to find out where your booth is located. Do not set up a booth anywhere until you check in.

**Please have your booth set up and manned by 9:00 AM July 23<sup>rd</sup>.** It is OK if you are not ready to serve at 9:00. Although the event program starts at 10:00, the public will be allowed to enter at 9:00AM. We would like all vendors in the park and their vehicles parked by 9:00 to help minimize traffic. The gate will

be unlocked at 8:00AM for you to enter on the day of the event.

Please have a clearly posted sign on your booth with your church name and/or ministry or mission it is supporting. This will allow your customers to know who they are supporting, may increase your sales, and offer ministry opportunities.

If possible, please have a large enough sign with the items you are selling for customers to read from a distance. This may limit confusion and increase your sales.

Please clearly post your prices. This may limit confusion, shorten your customer's wait in line, and increase your sales. A chalk or wipe off board will work well for this and allow you to make changes if needed.

Your booth is your responsibility and not the responsibility of Jesus Rocks the Redwoods. Please do not leave your booth unattended. While we believe most of the attendees will be respectful, it will be your responsibility to insure your items are not damaged or stolen.

Electricity is not available to vendors. Please if you have to have a generator, go through event administration for permission. Generators without approval will be asked to be shut off if they are not ultra quiet and approved by JRTR. A lot of site generators will make the environment uncomfortable for event attendees.

No stakes are to be driven into the park ground. You will find sand bags and water jugs will hold your canopy down well. No vehicles are to be driven on the park lawn. You may be fined by the California State park if you violate these park rules.

Booths should be taken down *after* the event but no later than Sunday July 24<sup>th</sup>. You may be unable to keep your property if it is left after this date. You can empty your booth *quietly* during the event but please leave the booth itself in tact until after the last artist performs. This will ensure a less distracting environment for event attendees. Please do not move your vehicle to do this until after the program has ended.

I thank God for your participation in this ministry and for the heart He gave you to be part of this year's Jesus Rocks The Redwoods!

For His Glory and by His Grace, Nancy
