Ministry Booths

Welcome to Jesus Rocks the Redwoods as a ministry partner!

With your participation we will be able to offer Christian family entertainment at this event free to the public. Jesus Rocks the Redwoods is a fun, creative, and safe place where adults and children of all ages can learn about Jesus. This can be with games, worship, arts and crafts, Bible stories and interaction with attendees. The theme of the event is Jesus. Let's give our attendees the love of Jesus to take home in their hearts.

Your partnership is a valued component enabling the lost of Southern Humboldt free access to the gospel. Thank you for your participation.

There are lots of things to read and absorb as a ministry partner. Please feel free to email or call me at any time. I am best reached by email GraceofGod1215@wavecable.com

All of the Jesus Rocks the Redwoods ministry booths will be from Bible believing Christian ministries.

All ministry booths that are free to the public will be charged a \$25.00 booth fee. Please make checks payable to Jesus Rocks The Redwoods. We understand you may have a fun game or craft that you would like to offer that you may need to charge money for to cover your expenses or raise money for a ministry. Those booths will be charged a \$100.00 booth fee.

We want to keep this event fun and exciting for our attendees and you are helping to make this possible. JRTR will try to limit the number of booths with the same delivery in ministry themes. While we know many items will be similar, our goal will be to not over duplicate any one thing. Please do not consider that you are able to do the specific ministry you have chosen until you hear back from JRTR administration.

You will need to provide your own booth, tables, chairs and anything else you need for your ministry.

Please remember that some ministry booths will be on the river side where there are fewer trees. It would be good for you to have a top on your booth to give you shade. The food booths will be on the tree side because they are mandated by Humboldt County Health to be within a certain distance from the toilet facilities.

If possible please list the type of ministry you would like to offer at the event. You will be able to offer this ministry if it is Christian family friendly and not already duplicated. Any printed materials, handed out will be viewed for content by JRTR.

Each ministry booth will be unique in its space needs. We will try to accommodate ministry booths size by limiting vendor booth sizes. Children's ministries often need extra space for chairs, crafts, games, etc. Please be exact in the space you will need for your ministry. You may need to consider a roof for your booth. While there is some tree shade it will be limited because the food vendors will be on the tree side. Food vendors must be within a certain distance from the toilet facilities.

Please keep the area you use safe, neat, and organized during the event.

Spots will be assigned by JRTR staff as they are reserved.

Ministry booths could start to set up their booths after **3:00PM Friday July 22nd**. You will need to have someone to check in with JRTR staff to find out where your booth is located. Do not set up a booth anywhere until you check in. You are able to stay later than 6:00 to work on it but staff will only be available to check you in prior to this time.

Please have your booth set up and manned by 9:00 AM July 23rd. It is OK if you are not ready to serve at 9:00. Although the event program starts at 10:00, the public will be allowed to enter at 9:00AM. We would like all vendors in the park and their vehicles parked by 9:00 to help minimize traffic. The gate will be unlocked at 8:00AM for you to enter on the day of the event.

Please have a clearly posted sign on your booth with your church name and/or ministry or mission. This will allow your visitors to know who you are and may increase ministry opportunities.

If possible, please have a large enough sign with the activity offered for visitors to read from a distance. This may limit confusion and increase your opportunities.

Please clearly post your ministry times. If you are offering a Bible story or something else that is better when it is experienced in its entirety, clearly post the times it is offered. A chalk or wipe off board will work well for this and you would be able to easily make changes as needed. This may limit confusion, maximize your visitor's wait time, and increase your ministry opportunities.

Your booth is your responsibility and not the responsibility of Jesus Rocks the Redwoods. Please do not leave your booth unattended. While we believe most of the attendees will be respectful, it will be your responsibility to insure your items are not damaged or stolen.

Electricity is not available to booths. Please if you have to have a generator, go through event administration for permission. Generators without approval and are not ultra quiet will be asked to be shut off and you may be asked to leave. Your deposit will not be refunded if you are asked to leave. A lot of site generators will make the environment uncomfortable for event attendees.

No stakes are to be driven into the park ground. You will find that sand bags and water jugs work well to hold your canopy down. No vehicles are to be driven on the park lawn. You may be fined by the California State park if you violate these park rules.

Booths should be taken down *after* the event but no later than **Sunday July 24th**. You can empty your booth *quietly* during the event but please leave the booth itself in tact until after the last artist performs. Please do not move your vehicle to do this until after the end of the program. This will ensure a less distracting environment for event attendees.

I thank God for your participation in this ministry and for the heart He gave you to do this for the lost in our community.

For His Glory and by His Grace, Nancy
